

## APPLE JUICE POWDER

We extensively deal in a wide orbit of fruit juice powder that is remarkable for its natural constituents and refreshing flavor. Our juice powders are available at very economical prices. The organic fruit powder we supply is manufactured from the organic resources with barest minimum use of any preservatives to retain its natural flavor. We are at the top of the ladder when it comes to the competitors in the same domain. We offer the best quality fruit powder in the market, with the help of our innovative skills and resources. And thus we are the leaders in the fields of fruit juice powder.

We are known as a leading fruit juice powder supplier in India. We supply a variegated assortment of fruit powder. The wide range of fruit powder supplied by us is made from the natural fruits ingredients in which no chemical is mixed. In addition to this, our dried fruit powder is purely organic. We have special equipments to check the quality of fruit powder. These fruit powder adds on a totally different and luscious taste to the food. This powder can be used in cooking of many dishes. Our fruit powders have already conquered a major portion of domestic as well as of international market

Apple powders can be used in combination with sugar to produce a perfectly colored coating for fruit jellies and in sauces where a boost of flavor without the addition of liquid is necessary. They are useful in candy fillings, desserts, breakfast cereals, yogurt flavoring and in any application where a fresh fruit flavor is desired. These fruits are processed to retain as much of their natural goodness as possible.
