

## BOYS T - SHIRTS

Our main area of strength is the attention that we pay to detailing, our sourcing strength, long term relations with customers and vendors, timely deliveries and our strict QC procedures which ensure that the products meet high standards required in today's competitive market.

All the above items are produced in a wide range of fabrics and include Cottons, Poly Cotton, Polyester, Wool, Viscose and Linen Fabrics. Some of the strongest qualities are Poplins, Shirting's, Voiles, Lawn, Jersey, Piques, Canvas, Twill, Fleece, etc.

We are very strong in the areas of - placement prints, embroideries, appliques, wash techniques, hand stitch detailing, flock and foil printing, etc. This ensures that we are always on top of changing trends and are able to deliver and develop products that are new and matches the requirements of designers.
