

BRINJAL GOURD

Varieties

Surya, Swetha and Haritha (bacterial wilt resistant open pollinated varieties),
Neelima (bacterial wilt resistant F 1 hybrid), Pus a Purple Cluster.

Brinjal is a transplanted vegetable. Seeds are sown in the nursery and one-monthold seedlings are transplanted to the main field. For sowing the seeds, raised seedbeds of 90 to 100 cm width and convenient length are prepared in open space with fertile topsoil to which well decomposed organic matter has been incorporated. After sowing the seeds, mulch with green leaves and irrigate with a rose-can daily in the morning. Remove the mulch immediately after germination of the seeds. Restrict irrigation one week before.

Time of planting

For rainfed crop, transplant the seedlings during May-June before the onset of southwest monsoon. Planting can also be done during September-October for irrigated crop.

Note :- Rate of the products Mention in the Website will be verified by day to day fluctuation in the Indian Agro Market Actual Rate of the Products will be provide at the time of final Confirmation of Order

For avoiding damping off of the seedlings in the nursery, sow the seeds as thin as possible in the raised beds prepared in the open area during summer months.

Follow mechanical removal and destruction of pest / disease affected portions for control of fruit and shoot borer and Phomopsis fruit rot. Spray carbaryl 0.15% at an interval of 15-20 days to control fruit and shoot borer under large-scale cultivation.

Uproot plants affected by little leaf and spray insecticides for further control.

Cultivate resistant varieties like Surya, Swetha and Haritha and the hybrid Neelima in bacterial wilt prone areas. The root knot nematode can be managed by the application of *Bacillus macerans* or *B. circulans* 1.2×10^6 c

For the control of pests, application of granules of carbofuran at the rate of 0.5 kg ai/ha or phorate at the rate of 1 kg ai/ha at seeding followed by need based application of foliar insecticides. The recommended rate of granules is
