We are a leading Exporters and exporter of 100% Cotton Fabrics, Blended Fabrics, Knitted Fabrics, Made Ups, etc.

Objectives

* Stick to quality production
* Maintaining high standards of quality
* Cater to customers' exact requirements
* Deliver products at affordable prices
* Ensure complete satisfaction of clients
* Adhere to timely delivery schedules.

Quality

Stringent quality checks followed at every stage ensures the high quality of the products. We have a full-fledged testing laboratory wherein every fabric is subjected to various tests and checked on the parameters of strength, shrinkage, color fastness, etc. The quality of raw materials are checked during procurement from reliable vendors.

Research and Development

Our team conducts regular market research to ascertain the kind of items that are in high demand. Intelligent market research forms the basis of our activities. Using this data, we coordinate with our suppliers to provide the required fabric materials. Constant efforts at developing and popularizing new styles has helped us maintain a wide product range and offer wider choices to the customers.
