

Jaggery Powder

➤ We are named as one of the foremost Sugar Cane Jaggery Powder Exporters from India. We offer good quality Organic Jaggery Powder that is used for adding sweet taste and natural flavor to variety of recipes and dishes. Jaggery Powder is 100% natural that is extracted from sugar factory. High nutritional value and freshness are the chief characteristics of jaggery available with us. In addition to this, we provide availability of Jaggery Powder in different packing and quantities as per preferences of customers.

Widely used as an alternative to sugar and other sweetener, Jaggery Powder is a healthy tajagro_Organic-Jaggery-Powderoption for those who wants to keep a tab over their health but still cannot avoid sweets. Prepared by natural means, our Jaggery Powder is derived from the high quality jaggery. Organic Jaggery Powder is made by concentrating the wholesome richness of sugarcane juice after removing the impurities from the resulting syrup, The nutrients of the natural sugarcane juice make it a healthy and natural sweetener. Today, we are well reckoned among the most reliable Sugar Cane Jaggery Powder Manufacturers in India.

Benefits :

Rich in mineral salts
Treats throat and lung infections
Easily dissolved and balances the deficiency of sugar level
Easy to digest

Medicinal Benefits: Even in these times of exotic chocolates & candies, our age-old traditional gur or jaggery remains a popular choice in most homes. Concentrating the rich & wholesome sugarcane juice makes jaggery. In the manufacture process, only the impurities are removed and all the nutrients that would normally be present in the sugarcane juice are retained, making it a very healthful product.
