.Taj International is a well known producer and exporter of high quality basmati rice which is cultivated in the most fertile land region on the banks of river Yamuna, categorically called as a 'Rice Bowl of India'. Our product range includes:

Offering High quality Indian Basmati rice as Supreme quality Basmati rice, 1121 Basmati rice, Pusa Basmati rice, Golden Sella basmati rice etc....

Yes the exporters are to be blamed totally for their ill practices on such a global scale such as

1. By blending Basmati with varieties such as Pusa, Shabnam, Sharbati which are much cheaper in price, to increase their margins dramatically at upto 50%.
- .2. By packing product with high moisture level than agreed with the importers.

Wild Jungle Basmati rice, The queen of rice due to its slender taste and aroma. Many physical and physiochemical parameters such as the length, width, translucency, and degree of milling, colour, moisture content, shape size, whiteness, chalkiness, amylose content, protein content, gel consistency, volume of expansion of cooked rice, aroma, stickiness, and hardness and much more are the grain quality indicators. Therefore, not a single criterion can distinguish Super Wild Jungle rice from other basmati and Non- Basmati rices.
